

# Celebrate!

Join us for our annual fundraising event, **Celebrate Saint Saviour's Center!** We're celebrating our 16th year as an independent\* community outreach organization that serves low-income families in Wake County. Please join us in the celebration by becoming a sponsor.

Saint Saviour's Center serves people who are striving to live independently but still struggle to make ends meet. Home to the Diaper Train, we serve people like Maria who needs diapers for her baby so she can go to work as most daycares require disposable diapers. We also serve people like Mike who is a senior living on a fixed income looking for companionship and guidance on remaining healthy and independent.

**Celebrate Saint Saviour's Center!** is Friday, October 27th at the brand new **Whitaker and Atlantic** owned by renowned Raleigh Chef Coleen Speaks of **Posh Nosh Catering**. Whitaker and Atlantic will be opening in September 2017. Be one of the first people to see this premier event space. This inspiring, one-night-only event features live music, a cocktail hour, dinner and a grand-prize raffle to generate funds for another year of service.

Sponsor **Celebrate Saint Saviour's Center!** now and invest in change for our community.

\*Saint Saviour's Center is a 501(c)(3) nonprofit organization. More than half of our funding comes from individual donors. We also receive grants from local churches, businesses and civic groups. All sponsorships are tax deductible as allowed by law.
